

Commercial Harvesting Information

The Commercial Harvesting of marine products within Canaveral National Seashore requires a permit. The current annual permit fee is \$150. Permits are valid from October 1st thru September 30th.

Marine-life harvesting includes clams, oysters, shrimp, crabs, bait fish, and fish in accordance with Florida State Laws. For more information about the Commercial Harvesting Permit program contact the Canaveral National Seashore Headquarters at (321) 267-1110.
